Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner informed Counsel that, the limitations in the intervening claims between independent claim 1 and allowable claim 12 are missing in a recently submitted amendment. Inquired Counsel if it is Counsel's intention to remove the limitations of the intervening claims. Counsel indicated that, those limitations were inadvertently left out. Counsel agreed to further amend claim 12 to include all limitations of intervening claims to place the application in condition for allowance.
